OVERALL RISK

LOW

Zusammenfassung

DAX-listed European aviation group with published quarterly IFRS reports and active investor-relations program. Registered as AG at Amtsgericht Cologne. Clean sanctions profile, standard aviation-industry regulatory oversight, and disciplined post-pandemic recovery with returning profitability. Recommend engage as a service partner without additional conditions.

Registry status

STATUS: PASS

Active public limited company (Aktiengesellschaft, AG) registered at Amtsgericht Köln (HRB 2168). Shares listed on Frankfurt Stock Exchange (DAX40 constituent) with ISIN DE0008232125. Corporate governance disclosed in the annual shareholder circular and DAX corporate-governance reporting [1].

Sanctions screening

STATUS: PASS

No matches against EU, OFAC SDN, or UK OFSI lists for the parent group or any of the disclosed operating airlines (Lufthansa, SWISS, Austrian Airlines, Brussels Airlines, Eurowings). PEP checks on named executive-board members clean.

Adverse media

STATUS: PASS

Standard aviation-industry coverage: operational disruptions, labor negotiations, fleet-renewal announcements, ITA Airways integration progress. No exceptional adverse-media items in the past 24 months. Historic COVID-era state aid (repaid) is pre-window and closed.

Financial signals

STATUS: PASS

FY23 group revenue €35.4 billion with adjusted EBIT of €2.7 billion — a clean return to pre-pandemic profitability trajectory [2]. Investment-grade credit ratings restored; state aid facility repaid in full. Continued capex commitments on fleet renewal financed via mix of operating cash flow and long-term debt.

Web presence

STATUS: PASS

Full corporate + investor-relations website, active press-release stream, comprehensive sustainability + governance disclosures. Multi-brand consumer-facing sites for each airline. Strong LinkedIn presence with hundreds of thousands of followers across group companies.
