

Household washing machine, front-load, 8kg capacity

Germany · United Kingdom · Sample calculation

HS Classification: 8450.11.19

Household or laundry-type washing machines, fully automatic, dry-linen capacity not exceeding 10 kg. WCO Harmonized System heading covering standard front-load consumer washing machines.

Alternative HS Codes

- 8450.20: Machines of a dry-linen capacity exceeding 10 kg (applies to larger commercial units, not this SKU)
- 8450.90: Parts of washing machines (only if importing spare parts rather than complete units)

Duty + VAT

Duty rate: 0%

VAT / GST: 20%

Under the EU-UK Trade and Cooperation Agreement, EU-origin washing machines enter the UK at 0% preferential duty provided the goods qualify for EU origin and are shipped with a Statement on Origin. UK import VAT applies at the standard 20% rate on customs value + duty.

Restrictions + Compliance

ATTENTION

Post-Brexit UKCA marking required for goods sold in Great Britain (in addition to or in place of CE marking; timelines have been extended). Energy-label compliance under UK EPREL regime is mandatory. Verify manufacturer supplies both UK-compliant labels and origin documentation with each shipment.
